MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Ethically Speaking.....Contractor Provided Transportation

1. There are statutes and regulations concerning the use of contractor transportation by government employees. These rules may not be obvious, and actions that may appear expedient or in the best interests of the Government and the contractor may violate these rules.

2. Enclosed is an Information Paper prepared by the DOD Standards of Conduct Office, which outlines the basic rules in the area of accepting contractor transportation. The rules are somewhat complex so I encourage you to contact our office with any questions.

3. The POC is Ms. Marina Yokas-Reese, AMSFS-GC, DSN 793-8458, E-mail yokas-reesem@osc.army.mil.
